

DRAFT

Loudoun County Fire and Rescue System Guideline

Subject: Fire Advisory Council	Approved: 29 June 2004 Revised:
Chapter: Administration	FRG: 1.1.5
Approved: _____, Fire and Rescue Commission _____ , Dept. of Fire and Rescue Services _____ , Operational Medical Director	

Purpose: To establish the system advisory role for the Loudoun County Fire Council.

Guideline:

1. The Loudoun County Fire Council shall be a principal advisor to the Fire and Rescue Commission on fire suppression and hazardous materials matters.
2. The Fire and Rescue Commission delegates the following authority to the Fire Council:
 - Development of local requirements for training of Loudoun County firefighters and hazardous materials operations staff
 - Development and maintenance of a fire suppression and hazardous materials operations quality assurance program
 - Management and distribution of local reimbursement portion of Fire Programs Funding

Fire and hazardous materials training and operational standards shall be submitted to the Fire and Rescue Commission for review and approval.

DRAFT

3. The Fire Council shall maintain a committee of Chief Fire Officers. This committee and the Council shall provide the Commission with advice and recommendations regarding the efficient and effective operation of the County's fire and rescue system.

4. The Chairman of the Fire Council or in his absence, the Vice Chairman of the Council or the Chairman's designee, shall be the recognized spokesman for the Council on all matters before the Fire and Rescue Commission.
